Wallace Stumps

BY ROBERT E. SMITH

MONTGOMERY -- Gov. George Wallace left for the first time in his 14 years as governor of Alabama... he's been around the state this week to get his message out -- his message that he wants to extend to power to the right to vote to all citizens of Alabama.

"The Bible says, 'As ye love yourselves,'" the retired former governor said, "and that is what I'm going to preach today.

"In their minds, the tenants in the Senate tried to round up votes on it."

"Whether the people shall be allowed to vote on it."

"It's anti-poverty program, unless some men really want to change things, they won't do anything about it."

"The county's black man can make a speech, but the white people won't let him.

"The black man has to ask the white man for work."

"And then their vote was killed, too."

"Mr. Carter has been around all the counties, but that's the story of the state."

"I'm here tonight," he said. "I ain't got time to answer that question."

1. The American Revolution

By BOB ORR AND FRANK CIECORKA

At one time, the king of England owned America. He made laws that people in America had to obey. If a country is owned by another country, it is called a colony. America was divided into colonies. People lived in New England colonies and places called the Middle States. They had their own governments. But the colonies were not really independent.

One day there was a bad fist fight. A lot of people got hurt. When everybody heard about it, they were very surprised. Some of them thought that freedom was for them as well.

In the history of America, there have been many battles. The people fought to have freedom. They freed their slaves even though they were very poor. They freed them even though they were not well organized.

The leader of the people that day was Toussaint L'ouverture. He was a man who freed Negroes from slavery.

On TV, Negroes and white performers sang long Negro spirituals. Negroes were seen singing without any fear.

We often ask for physical resurrection. We want to bring someone back to life. But the organizers of the revolt were not worried about the dead. They were concerned about the living. They wanted to have a solid leadership. In order to have a solid leadership, we must have intellectual resurrection.

In a show from Nashville, Tenn., 9 p.m. The National Generalshow -- All your countrymen -- will have more fun than ever with Jimmy Dean Show--All your countrymen.

The French planters thought the Negroes were having religious ceremonies. Their intentions were not clear. They feared that the slaves might escape from the plantation. But the slaves had no strength to run away.

The delay has caused a great deal of difficulty. They freed their slaves even though they were very poor. They freed them even though they were not well organized.

There were two main reasons for the slaves to rise up and fight. The first reason was that they wanted freedom. The second reason was that they wanted to bring about social change.

Come to the Fair!

PHOTOGRAPHY BY JAMES H. PEPLER

Far down the highway you can see the ferris wheel turning. Cars are jammed. Horns are honking. Everyone's in a hurry. Everyone's going to the fair.

"Step right up, sir! One ring for five cents. Six rings for 25 cents. So close. So easy."

"Myrtle the Turtle Girl. Very much alive. You've seen nothing like it. See her in person!"

"B-17, I-40, N-73, G-39, O-20."

"Where's my daddy?"

"The world's strangest married couple, human and alive. Come in now, and stay as long as you like. He weighs 638 pounds, and she weighs just 69. Just think of that. Now the question is, will the baby be as big as the father...?"

"And I said to the wife, "I'll be much obliged if I ever get down from this ride alive."

"And it's No. 16 nosing to the finish line... Whirlaway beat them out by a whisker, by a nostril, by a nose!"

THINK WE OUGHT TO COME AGAIN NEXT YEAR?
CRAWFORDVILLE, Ga.--Alexander Hamilton Stephens, vice-president of the Confederacy, was born in Crawfordville, Ga., and until three weeks ago, that was about the most important thing that ever happened in Taliaferro County.

But last month Crawfordville had a new claim to fame. When the county school board closed Alexander Stephens Institute, the white school, instead of integrating, Negro protests became the most widely publicized racial demonstrations since those in Selma.

Eighty-seven Negro students had been scheduled to enter Stephens this fall. But while they were filling out their transfer forms, the county's 200 white students were quietly arranging to attend schools in two neighboring counties.

The students lined up facing the school buses from boarding the buses. The largest plan was to transfer to other schools, all-Negro

Three Ala. School Boards Shun

Federal Hearing on Segregation

The three Alabama school boards that have failed to send representatives to the Department of Health, Education, and Welfare, are those in Bibb County and Tarrant City, both in rural counties.

The Bibb County board is in the process of being investigated for alleged discrimination.

The Tarrant City board is also being investigated.

The two school boards have been notified by the Department of Health, Education, and Welfare, that they must either send representatives to the hearing or face legal action.

The third school board, in Bibb County, has also been notified of the investigation.

L.A. Triumphs

Santa Barbara opened with a first-quarter punt return by John Fast as the Los Angeles Dodgers, the spunkiest baseball team in baseball, scored first against the mighty New York Yankees. "We played well," manager Herber Reavored said. "We had the advantage over them from the start." The Dodgers were led by the pitching of southpaw Bob Stowers, who pitched a complete game, striking out 11 Yankees.

The Dodgers, however, were not able to hold onto the lead in the second inning, when the Yankees scored five runs on a bases-loaded walk and two singles. The Dodgers responded with a four-run outburst in the third inning, highlighted by a three-run home run by Dave Vanderpool, who also hit a double.

The Dodgers held off the Yankees in the remaining innings, with the help of a strong pitching performance by southpaw Bob Stowers, who struck out 11 Yankees and allowed four runs on 11 hits.

The Dodgers' victory over the Yankees was their second in a row, and they now have a three-game lead in the National League standings. The Dodgers are currently in first place in their division, with a record of 25-13.
