The hearings has been published. In addition, as Black's letter shows, the facts make a hard decision to make. Laundry Can Be Fun

MONTGOMERY, Ala. — Today's washeteria has become a fun gathering place for young people.
Little children come with their mothers, or with older brothers and sisters. They bring their toys, friends, and even their dogs for the 60-minute cycle.
"Sometimes I come because I like it," said 11-year-old Clinton Boyd, "But I always bring my little brother, because it's fun to talk to him."
