SELMA - Selma has started an effort to register Negroes in the Black Belt counties of the state, and the state's large cities. It is led by Mrs. Cora Lee Williams, a 77-year-old woman who has lived her life in Montgomery County, was appointed state director, said a major goal of the drive is to help Negroes in Macon County, which has more than 200 qualified Negroes to register.

The week, 30 to 40 workers started intensive voter registration in the Black Belt. A large group was formed in Montgomery, and more workers and cars were added to join the Montgomery drive.

Come to the Fair!

PHOTOGRAPHY BY JAMES H. PEPPLER

Far down the highway you can see the ferris wheel turning. Cars are jammed. Horns are honking. Everyone's in a hurry. Everyone's going to the fair.

"Step right up, sir! One ring for five cents. Six rings for 25 cents, so close, so easy."

"Myrtle the Turtle Girl. Very much alive. You've seen nothing like it. See her in person!"

"B-17, I-40, N-73, G-39, O-20."

"Where's my daddy?"

"The world's strangest married couple, human and alive. Come in now, and stay as long as you like. He weighs 628 pounds, and she weights just 69. Just think of that. Now the question is, will the baby be as big as the father...?"

"And I said to the wife, "I'll be much obliged if I ever get down from this ride alive.""

"And it's No. 16 nosing to the finish line... Whirlaway beat them out by a whisker, by a nostril, by a nose!"

THINK WE OUGHT TO COME AGAIN NEXT YEAR?
Schools Are Just One Problem in Crawfordville

BY STEPHEN E. COTTON
CRAWFORDVILLE, Ga.—Alexander Hamilton Stephens, vice-president of the Confederacy, was born in Crawfordville, Ga., and until three weeks ago, that was about the most important thing that ever happened in Taliaferro County.

But last month Taliaferro had a new claim to fame. When the county school board closed Alexander Stephens Institute, the white school, instead of integrating it, Negro protests became the most widely publicized series of racial demonstrations since those in Selma.

Eighty-seven Negro children had been scheduled to enter Stephens this fall. But while they were filling out their transfer forms, the county's 200 white students were quietly arranging to attend schools in two neighboring counties.

Then, as if to make the school board announce that Alexander Stephens Institute would not open this year because there were too few students.

When the school year began, Negro students showed up at the closed school and enrolled in the new school, all- Negro Stephens.

On Sept. 15, more than 300 students walked out of their school, the den of sin, all 25 ICVE staff members. Twenty cases of studying, a diet, all 25 feet, all 25 dates.

Two and a half weeks later, Negroes gathered outside of the Crawfordville "mammying", as the defri ated towns were to be known.

Every morning at 7:30, 25 Negro school students, heading the indentation that carried white students out of the county, were locked at 7:30, sent to school, in Crawfordville.

Sadly, the Falcons could not follow the Los Angeles Dodgers formula of first past the plate, second past the plate, third past the plate, fourth past the plate, final past the plate. For a second straight year, the Los Angeles Dodgers swept the San Francisco Giants in the best of seven series.

The Los Angeles Dodgers, with three straight World Championships, are now the only team in baseball to win back-to-back World Series.

The Dodgers' victory was not without controversy, as the San Francisco Giants took exception to several calls made by the umpires. The Giants' managers and players were reportedly unhappy with the officiating in the final game of the series, which the Dodgers won 3-2.

**New Political Group**

**by EDWARD M. SELLERS**

The Political Action Committee, a new political group, has been formed to address the needs of the Barbour County community. The group is composed of local residents who are concerned about the future of Barbour County.

The PAC's first goal is to increase voter turnout in the upcoming election. The group plans to hold voter registration drives and host town hall meetings to discuss local issues.

The PAC is open to members of all political parties and is committed to promoting fair and open elections. The group hopes to attract support from both local and national political leaders.

In the coming weeks, the PAC will hold its first meeting to discuss the group's goals and priorities. The meeting is open to the public and will be held at the local library.

**Three Ala. School Boards Shun Federal Hearing on Segregation**

**by LINDA GORDON**

WASHINGTON — Three Alabama school boards have now formally rejected federal attempts to force desegregation in their schools. The boards have taken this course of action after the federal government threatened to cut off their federal funds.

The federal government has been attempting to force desegregation in schools across the country. The government has threatened to cut off federal funds if school boards do not comply with the desegregation requirements.

The three Alabama school boards are said to be considering legal action against the federal government.
